(specify)

Please check any of the following you want to be involved with this year. Meetings will be online, and occur as needed. All communication will be by email.

Teacher education and clinical experiences including cooperating teacher training and issues

Assessments required for teacher candidates to become certified teachers

PDC issues: Members of local district or building-level Professional Development Committees to identify issues and training needs to help PDCs be highly effective. The first step will be facilitating inter-district communication among PDC members.

National Board Certification: NBC Teachers interested in:

Promoting participation in the National Board process and educating teachers about changes to the process when they are announced.

Sharing their expertise with other members through the Missouri NEA Online Professional Development Series.

Review grant and scholarship applications and select winners. Meetings may be online or in person. TBA.
