

Proud to be Missouri NEA ESP

As an education support professional, you are a key player on the education team that prepares Missouri's children for the future.

Without you, kids wouldn't get extra help and attention, the bell wouldn't ring, the buses wouldn't run, the budgets wouldn't get finalized, the phones wouldn't get answered, nutritious meals wouldn't be served and classrooms wouldn't be safe and clean. Without you, education wouldn't happen.

But these days it's getting harder and harder to do your job. School budgets are stretched to the breaking point, and you're expected to do more with less. Your Association knows what you're up against and keeps you connected to your profession, to your peers and to your community. You have Missouri NEA and NEA behind you, supporting you with advocacy, information and money-saving programs.
