Matt Agee, MERAMEC VALLEY NEA

As a dedicated member who has been active for 20 years with MNEA, I've progressed from local leadership (President, Vice President) to the state level, serving on key committees including PAC, Constitution & Bylaws, Member Benefits, and Resolutions. I've also contributed at the national level as an alternate on the Resolutions Committee. This diverse experience, combined with my former role as a State Board Member, provides a strong foundation for effective representation at the National Representative Assembly.
